Ok. This is what I'm saying in my board report for Ray Kelly reccos -- going out today.

- MPD Zero-based Staffing Analysis. Currently underway via City contract with IACP (International Association of Chiefs of Police) and scheduled to be complete this Fall.
- Staff up the Metro Gang Unit / support its "Group Violence Initiative" (now called "Focused Deterrence") led by the DA. Goal is for MPD increase number of officers assigned to the gang unit by 23 officers for which the first group of 8 is scheduled to be added in July. The Focused Deterrence initiative launched in early 2018 and provides a "carrot and stick" approach to identifying gang members, connecting them to opportunities for jobs, training, etc. while giving them an ultimatum about severe consequences for breaking the law again.
- Professionalize MPD weekly "trac" meetings of all precinct commanders (model them on NYPD) to ensure fidelity to data-driven police deployment model. New leadership has been assigned (Don Crowe) to address the erosion of productivity of these crucial weekly officer deployment strategy meetings; Public Safety Institute is evaluating and currently reports improved accountability and use of data for officer deployment by precinct commanders.
